Grappa di Barolo "Small Hole"

Maestro Grappaio Paolo Marolo creates this special blend from grappas distilled from selected fresh Nebbiolo grape pomace of the incomparable wine of Barolo. Aging the grappas 36 to 42 months in wood before blending (30% in 600-liter acacia barrels and 70% in 228-liter oak barriques) imparts a lovely straw color, a deeply ample aroma, and enormous full-flavored character balanced by velvety smoothness.

Grappa & Camomile "Large Hole" -

Marolo's meticulously hand-crafted **Grappa & Camomile** is a liqueur obtained from the infusion of camomile blossoms in grappa made from fresh and carefully selected Piedmontese Nebbiolo grapes. The camomile flowers are picked when fully mature, then dried in the shade, left to steep for 11 months in the grappa and filtered. A time-honored tradition of the Langhe hills -- the land of Barolo and Barbaresco -- is transported to a new realm of elegance.
